II. DECLARATION

1. My name is Kent Doll. I am the court appointed attorney for Mr. Randy McReynolds.
2. On June 30, 2021, a jury found Mr. McReynolds guilty of all charges set forth in the Indictment.
3. On July 1, 2021, I conferred with Crystal Hicks, the court reporter for the trial. She has informed me that she will not be able to get me the transcripts of the trial and pre-trial hearings within 3 days. She informed me she might be able to get me the transcripts in 7 days, however she would prefer 14 days.
4. Additionally, my own scheduling will interfere with my ability to file these motions. I have a Washington state court matter set for trial on July 19, 2021.
5. I therefore request an extension of time to file a Motion for a New Trial and/or a Motion of Acquittal. Specifically, I request that the deadline for these motions be August 3, 2021.
